4. AGREEMENT OF SALE

This IFB and the Accepted Bid shall constitute an agreement for the sale of the Property by and between the Purchaser and the Government (the **"Agreement of Sale"**). The Agreement of Sale shall not be amended, modified, revised or otherwise altered except by a written instrument signed by both the Purchaser and the Government. In addition, the Purchaser shall not transfer or assign the Agreement of Sale or any or all of the Purchaser's interest therein without the prior, express written consent of the Government, which consent may be withheld by the Government in its sole and absolute discretion. Any assignment made without such consent shall be void.

7. RISK OF LOSS

As of the date of conveyance of the Property, the Purchaser shall assume all obligations and liabilities of ownership to the Property including, without limitation, sole responsibility for the care and handling of the Property and all loss and/or damage related to the same (including, without limitation, the buildings and/or improvements located thereon), and no claim for any allowance or deduction upon such grounds will be considered after the Bid Opening Date. In the event of any damage or loss to the Property prior to conveyance of the Property to the Purchaser, the Government shall have the right to terminate the Agreement of Sale. In the event of such termination, the Government will return to the Purchaser all funds previously delivered by the Purchaser to the Government, and thereafter the Government shall have no further liability to the Purchaser.

10. GOVERNMENT LIABILITY

If the Government accepts a Bid and (1) the Government fails for any reason to perform its obligations as set forth herein; or (2) title does not transfer or vest in the Purchaser for any reason, although Purchaser is ready, willing, and able to close; or (3) any other contractual claim or cause of action hereafter accrues in favor of the Purchaser under the terms of this IFB, then, unless otherwise expressly provided in this IFB, the extent of the Government's liability to the Purchaser shall be strictly limited to all amounts of money the Purchaser has paid to the Government (without interest). 11. TITLE EVIDENCE

Any Bidder, at its sole cost and expense, may obtain any title evidence relating to the Property. The Government will cooperate with the Purchaser or his or her authorized agent in this transaction, and will permit examination and inspection of such deeds, abstracts, affidavits of title, judgments in condemnation proceedings, or other documents relating to the title of the Property, as GSA and the USFS may have available. It is understood and agreed that the Government is not obligated to pay for any expense incurred in connection with title matters or survey of the Property.

12. TITLE

If a Bid is accepted, a bill of sale in conformity with local law and practice will convey the Government's interest. The Government does not pay for or provide any type of title insurance.

13. EASEMENTS, ENCROACHMENTS AND RESERVATIONS

The Property will be sold subject to: (A) any and all covenants, reservations, easements, restrictions, encroachments, and rights, recorded or unrecorded, in favor of third parties including, without limitation, any and all such covenants, reservations, easements, restrictions, encroachments, and rights for highways, streets, power lines, telephone lines and equipment, pipelines, drainage, sewer and water mains and lines, public utilities, public roads, railroads and other rights-of-way; and (B) any easements, reservations, rights and covenants reserved by the Government herein.

14. COVENANT AGAINST CONTINGENT FEES

The Purchaser warrants that he or she has not employed or retained any person or agency that is not a "bona fide established commercial agency" (described below) to solicit or secure acceptance of a Bid upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right, in its sole discretion, to terminate the Agreement of Sale without liability and/or, in addition

to any relief available to the Government pursuant to the "Revocation of Bid and Default" Section above, to recover from the Purchaser an amount equal to the amount of such commission, percentage, brokerage, or contingent fee. A "bona fide established commercial agency" has been construed to include a licensed real estate broker engaged in the business generally. In the event the Purchaser has employed or retained a bona fide established commercial agency in connection with this IFB, the Purchaser warrants that any fee or commission due to the same shall be borne solely by the Purchaser.

15. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

The closing date of the sale (the "**Closing Date**") will be set by the Government and will be no later than **thirty (30)** calendar days after the acceptance of the Accepted Bid. Notwithstanding the prior sentence, the Government reserves the right to extend the Closing Date for a reasonable amount of time.

By the Closing Date, the Purchaser shall tender to the Government the balance of the Purchase Price in the form of a cashier's check, certified check or electronic wire transfer. Upon confirmation that the Purchaser's funds have been received by the Government and are to the satisfaction of the same, the Government will deliver to the Purchaser the instrument, or instruments, of conveyance. Possession of the Property will be assumed by the Purchaser as of the date of conveyance of the Property.

16. DELAYED CLOSING AND PURCHASER'S REQUEST TO DELAY

Any change to the established closing date is subject to written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser may be required to pay either: (i) a liquidated damages assessment of \$50.00 per day; or (ii) interest on the outstanding balance of the purchase price, whichever is greater, if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

17. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING

Any closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay any taxes and fees imposed on this transaction and shall obtain, at Purchaser's own expense, and affix to any instruments of conveyance and security documents, such revenue and documentary stamps as may be required by Federal, state and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes as necessary and at the Purchaser's expense.

18. OFFICIALS NOT TO BENEFIT

No member or delegate to the Congress or resident commissioner shall be admitted to any share or part of the Agreement of Sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the Agreement of Sale if made with a corporation for its general benefit. GSA employees are prohibited from bidding on the Property.

- A. If the removal operations are performed by the Purchaser to the complete satisfaction of the Government, the special deposit, less any amounts collected therefrom as liquidated damages will be returned promptly to the Purchaser without interest.
- B. If the removal operations are not performed by the Purchaser to the complete satisfaction of the Government, and the Property or portion thereof remaining, at the option of the Government has been declared forfeited, the special deposit, less any amounts collected therefrom as liquidated damages and less any amounts paid therefrom to cover the cost of work performed by the Government in completing the removal operations will be returned to the Purchaser without interest after such costs have been paid, or will be returned to the Purchaser without interest after a subsequent transferee acceptable to the Government has assumed the obligation to complete the removal operations.

6. REQUEST FOR INFORMATION

Upon a request sent to the General Services Administration, Real Property Utilization and Disposal Division, Chicago Operations Branch, 230 S. Dearborn Street, Suite 3774, Chicago, IL 60604, GSA will provide additional copies of this IFB and will answer requests for additional available information concerning the Property to facilitate preparation of Bids.

7. BIDS TO BE OPENED AT SPECIFIED TIME

It shall be the duty of each Bidder to see that its Bid is delivered by the time and at the Place of Bid Opening prescribed in this IFB. Bids (including modifications) received prior to the time fixed in this IFB for the opening of Bids will be securely kept unopened. No Bid, modification, or withdrawal received after the time fixed in this IFB for the opening of Bids will be considered except as provided under Section 4 above. At the time fixed for the opening of Bids, their contents will be made public by announcement for the information of Bidders and others properly interested that may be present either in person or by representative.

8. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in Bids received.

9. CONTINUING OFFERS

Each Bid received shall be deemed to be a continuing offer to purchase the Property until the earlier of: (a) 30 calendar days after the Bid Opening Date; or (b) the Bid is accepted or rejected by the Government. If the Government desires to accept any Bid after the expiration of such 30 calendar day period, the consent of the appropriate Bidder shall be obtained prior to such acceptance.

10. GOVERNMENT'S RIGHT TO ACCEPT A BID

Following the opening of the Bid Envelopes on the Bid Opening Date, the Government shall have the right (but not the obligation) to accept a Bid from a responsible bidder whose bid, conforming to this IFB, is most advantageous to the Government as determined by the Government in its sole and absolute discretion. Notwithstanding the foregoing, the amount of the Bid will be the premiere factor used by the Government in determining whether to accept a Bid and, unless another factor raises a concern as to the validity of the High Bid at the close of the Auction and/or the ability of the Bidder of such High Bid to complete the transactions contemplated by this IFB, it will be the only factor used. In the event two or more Bids are received that are equal, the selection will be made by drawing a lot limited to such equal Bids.

11. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of a Bid shall be deemed to have been sufficiently given when electronically mailed or mailed to the Bidder or its duly authorized representative at the address indicated in the Bid. Rejection of a Bid shall also be deemed to have been sufficiently given upon the return of a Bid deposit, as described in the Section 2. Bid Deposit Section above. The Government reserves the right to reject any and all Bids received or portions thereof.

NOTICES AND COVENANTS

1. ASBESTOS CONTAINING MATERIALS

- a. Bidders are warned that the Property contains asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.
- b. Bidders are invited, urged, and cautioned to inspect the Property to be sold prior to submitting a bid. More particularly, bidders are invited, urged, and cautioned to inspect the Property as to its asbestos content and condition, and any hazardous or environmental conditions relating thereto. The Government will assist bidders in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). Bidders shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the Property including, without limitation, any asbestos hazards or concerns.
- c. No warranties either express or implied are given with regard to the condition of the Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.
- d. The description of the Property set forth in this IFB and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.
- e. The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, licensees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property which is the subject of this sale, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.
- f. The Grantee further agrees that in its use and occupancy of the Property it will comply with all Federal, state, and local laws relating to asbestos.

2. RISK ASSESSMENT AND INSPECTION.

The Government prepared an Asbestos and Lead Based Paint Survey in accordance with 40 CFR 745.227. Bidders are encouraged to review this document and any other reports identified by the Government on the Lead-Based Paint Disclosure Form found in this IFB. Although a complete set of documents will be provided to the Purchaser prior to closing, each bidder is strongly encouraged to review the risk assessment and any other reports prior to submitting a bid.

3. INSPECTION BY BIDDER.

Bidders may conduct their own inspection or perform a risk assessment for the presence of lead-based paint and/or lead based paint hazards at any time prior to submitting a bid. Before entering the Property, the bidder must first make arrangements with the individual identified to contact for inspection of the Property. The bidder is invited to take as much time as necessary to conduct such inspection or assessment prior to the deadline for submission of the bid. Bidders are encouraged to conduct any inspections and assessments early in the process, since the bid opening will not be delayed to accommodate completion of such inspections and assessments.

4. NO LAND TO BE CONVEYED.

Only the house and related improvements are included in this sale.
